

Desiree Strick is a teacher candidate in the College of Education at Sam Houston State University. She completed the first Diversity Certificate Program for teacher candidates. She can be reached at dds059@shsu.edu

Empathy

An awareness
a light bulb moment
a sigh of relief that I am not alone
a gasp
a drop in the pit of my stomach- the realization that judgement stings
a floating feeling
a calm feeling
Then
I remember...
All we have to do is listen
With the loving hearts we were born with
We are all people.
